Examiner	, 6	Date	0/2/11
Signature	W	Considered	1/7/09

EXAMINER. Initial if reference considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include concern with next communication to applicant.

Burdon Hour Statement. This form is estimated to take it hours to complete. Timo will van depending upon the mode of the indicitional case. An amount of modern many modern control and together the form should be sent to the Chief information (Micros Patendiana Charamark Office, Washington, DC 2023).

Conque citation designation number. Applicant is to place a check mark here if English fanguage Translation is attached.
